Case No. GO-99-341

ORDER GRANTING EXTENSION OF TIME TO FILE ANNUAL REPORT AND
GRANTING REQUEST TO FILE ANNUAL REPORT IN DIFFERENT FORMAT

Pursuant to 4 CSR 240-10.080, "[a]ll public utilities subject to the jurisdiction of the Missouri Public Service Commission shall file an annual report with the commission on or before April 15 of each year." On February 10, 1999, Missouri Pipeline Company (MPC) filed a request with the Commission for an extension of time to file its 1998 annual report. MPC stated in its request that its annual report will not be processed until June 15, 1999.

In the same document, MPC filed a request with the Commission to waive the required format and allow MPC to satisfy the annual report filing requirement by filing a Federal Energy Regulatory Commission (FERC) form 2. On March 15, 1999, the Staff of the Commission filed a memorandum recommending that both requests be approved.

The Commission stresses that MPC should strive in the future to meet known and required filing deadlines; however, the Commission determines that the request for extension should be granted.

IT IS THEREFORE ORDERED:

1. That Missouri Pipeline Company is granted a waiver of the annual report deadline requirement of 4 CSR 40-10.080 until June 15, 1999, at which time it shall file its 1998 annual report with the Commission.

2. That Missouri Pipeline Company is granted a waiver of the annual report format requirement of 4 CSR 240-10.080(3) for its 1998 annual report, provided that it satisfies the annual report requirement by filing a completed FERC form 2 with the Commission for the 1998 reporting year.

3. That this order shall become effective on March 18, 1999.

4. That this case may be closed on March 19, 1999.
