OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company d/b/a)
Ameren Missouri for a Variance from) File No. EE-2019-
4 CSR 240-13.020(6).)

NOTICE OF CASE FILING AND REQUEST FOR VARIANCE

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "the Company"), and pursuant to 4 CSR 240-2.060(4) and 4 CSR 240-4.017, submits this *Notice of Case Filing and Request for Variance* ("*Notice and Request*") which would relieve the Company from the 60-day notice requirement of 4 CSR 240-4.017(1)(D), and facilitate the Company's proposal that would allow electric customers¹ to choose their own due dates. In support of its position, Ameren Missouri states as follows:

INTRODUCTION

1. Ameren Missouri has been focusing on its improving customer experience. As part of this initiative, the Company is requesting a tariff revision intended to, in the longer-term, improve customer satisfaction. That revised tariff, which will facilitate a "Pick Your Due Date" option for customers, has been filed simultaneously with this *Notice and Request*. Allowing customers to choose their due dates will alter those customers' billing cycles. 4 CSR 240-13.020(6) requires, in relevant part, the utilities to provide notice to affected customers when adjustments are made to billing cycles resulting in a change of nine (9) days or more. Customer requests for due date revisions could result in inadequate time to comply with the notice requirement. Since the change in these cases would be at the customer's request, Ameren Missouri requests waiver of this notice provision.

¹ Ameren Missouri is simultaneously filing a similar request for its natural gas customers, and suggests that these proceedings could be consolidated for procedural purposes.

2. Under 4 CSR 240-4.017(1)(D), waivers of the 60-day notice may be granted for good cause shown. Good cause includes, among other things, providing a verified statement that no communications have occurred with the office of the commission within the preceding 150 days regarding a substantive issue likely to be in the case. Ameren Missouri meets this requirement. Through this pleading, the Company provides notice that this case involves a tariff revision that requires a variance from the Commission's Residential Service and Billing Practices rules, as described above.

3. In support of its position and in compliance with 4 CSR 240-23.020(5), 4 CSR 240-2.060(1), 4 CSR 240-2.060(4), and 4 CSR 240-4.017(1)(D), Ameren Missouri provides the required information in the following sections of this *Notice and Request*:

Paragraph (M) – Affidavit

8. An affidavit in support of this *Notice and Request* by an officer of the Company is included as Exhibit A.

II. Requested Variances

9. 4 CSR 240-4.017(D) allows a variance from the 60-day notice requirement for good cause shown. 4 CSR 240-2.060(4)(B) requires a utility to set out, among other things, the good cause for the granting of a variance or waiver. The good cause for each of these requested variances is discussed in more detail below.

A. 60-Day Notice Requirement

10. Ameren Missouri requests a variance from the 60-day notice requirement of 4 CSR 240-4.017, which states, in relevant part:

Any person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case...

Pursuant to 4 CSR 240-4.017(1)(D), waivers of the 60-day notice requirement may be granted for good cause shown. The rule further provides that good cause includes "a verified declaration from the filing party that it has had no communication with the office of the commission within the prior one hundred fifty (150) days regarding any substantive issue likely to be in the case..."⁵ As indicated in the Affidavit attached as Exhibit A, Ameren Missouri has had no communications with the office of the Commission (as defined by 4 CSR 240-4.015(10)) regarding any substantive issue likely to be in this case during the preceding 150 days.

⁵ Pursuant to the Commission's *Order Waiving 60-Day Notice Requirement* issued on August 1, 2017, in File No. WM-2018-0023, the examples of good cause provided in the rule are not exclusive, and the Commission may find that good cause has been established by other circumstances.

Accordingly, Ameren Missouri has established good cause for a waiver from the 60-day requirement of 4 CSR 240-4.017(1). No other public utility will be affected by granting the Company a waiver from this requirement.

B. Corrective Actions

11. Ameren Missouri requests a variance from 4 CSR 240-13.020(6) which reads, in relevant part:

If a utility changes a meter reading route or schedule which results in a change of nine (9) days or more of a billing cycle, notice shall be given to the affected customer at least fifteen (15) days prior to the date the customer receives a bill based on the new cycle.

In other words, the Company must provide notice at least fifteen (15) days in advance to customers when there is an adjustment of nine (9) days or more to that customer's billing cycle. With Ameren Missouri's requested tariff revision, it intends to allow customers to choose their own due dates for their bills. It is entirely possible a customer will choose a due date that will result in an adjustment to the customer's billing cycle of nine (9) days or more. Given that it is the customer requesting this change, notice of the change would be redundant. Accordingly, the Company is requesting a variance from fifteen (15) day notice requirement. Good cause is shown for this variance because it will avoid unnecessary customer notices that would otherwise not be required and, because of the time necessary to provide those notices, could delay the customer's requested change to the billing period. Because only Ameren Missouri's customers are impacted by this variance, no other utility should be affected.

WHEREFORE, Ameren Missouri respectfully requests that the Commission grant the requested variance of 4 CSR 240-4.017 of the 60-day notice requirement for this case, and the variance of 4 CSR 24-13.020(6), which will allow Ameren Missouri to forego customer notice requirements spurred by a customer request for a change in billing cycle.

Respectfully submitted,

/s/ Paula N. Johnson
