ORDER TO CONSOLIDATE PROCEEDINGS AND PROVIDE NOTICE

On September 15, 1998, Union Electric Company d/b/a AmerenUE (UE) filed an application with the Commission requesting authority to construct, own and operate natural gas pipeline facilities and a gas distribution system for the public in a portion of St. Charles County south of Interstate 70, and southwest of U.S. Highway 40/61. The area UE proposed for certification includes a small portion of the City of Wentzville, and a large portion of unincorporated St. Charles County.

Pursuant to the Order and Notice issued by the Commission in Case No. GA-99-107, Laclede Gas Company (Laclede) filed an application to intervene, in opposition to UE's Application. Laclede was granted leave to intervene in that case by order of the Commission issued on November 3.

On November 24, 1998, Laclede filed an application with the Commission requesting authority to construct, own and operate a gas distribution system for the public in a portion of the City of Wentzville, Missouri. The area, which Laclede seeks to serve, overlaps in part the area for which UE seeks certification.

Along with its Application, Laclede, on November 24, filed a Motion to Consolidate Proceedings which states that Laclede's application and UE's application address the same service territory and that common questions of law and fact are likely to be presented in both proceedings. For those reasons, Laclede requests that the Commission issue an order consolidating these proceedings.

Upon review of these matters, the Commission concludes that common questions of law and fact will likely be presented in these proceedings. The Commission further concludes that consolidation of these proceedings will result in the most efficient use of the Commission's resources and that no party will be prejudiced by consolidation of these proceedings.

Proper parties should be given notice and an opportunity to intervene in this matter. The Records Department of the Commission shall send a copy of this order to the mayors of all municipalities located within St. Charles County, and to

the County Executive and County Council of St. Charles County. The Information Office of the Commission shall send notice of this application to the members of the General Assembly who represent St. Charles County, and to the newspapers that serve St. Charles County as listed in the newspaper directory of the current Official Manual of the State of Missouri.

Anyone wishing to intervene must submit an application to intervene to:

Secretary of the Missouri Public Service Commission
P.O. Box 360,
Jefferson City, Missouri 65102.

The requirement of a hearing has been fulfilled when all those having a desire to be heard are offered an opportunity to be heard. If no proper party is granted intervention and neither the Commission's Staff nor the Office of the Public Counsel requests a hearing, the Commission may determine that a hearing is not necessary and that the Applicant may submit its evidence in support of the application by verified statement. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494, 496 (Mo. App. 1989).

IT IS THEREFORE ORDERED:
