**ORDER GRANTING MOTION TO MODIFY ORDER**  
**ESTABLISHING TEST YEAR, ESTABLISHING DATE FOR FILING**  
**DIRECT TESTIMONY AND SCHEDULING EARLY PREHEARING**  
**CONFERENCE**

On January 21, 1999, the Commission entered its order establishing test year, establishing date for filing direct testimony and scheduling early prehearing conference, wherein, *inter alia*, it ordered St. Joseph Light & Power Company (SJLP) to file its direct testimony and schedules on January 22.

On January 21, SJLP filed a motion to modify order establishing test year, establishing date for filing direct testimony and scheduling early prehearing conference. SJLP stated that due to this short notice and the fact that SJLP has also been directed to file, and will file, its direct testimony and schedules in ER-99-247 on January 22, SJLP is unable to meet the January 22 filing deadline in the instant case. SJLP will, however, be able to file its direct testimony and schedules on January 29.

SJLP moved the Commission to modify its order by directing SJLP to file its direct testimony and schedules on January 29.

**IT IS THEREFORE ORDERED:**

1. That the order issued January 21, 1999, by the Commission is hereby modified to allow SJLP to file its direct testimony and schedules on January 29, 1999.
2. That all other terms of the order issued January 21, 1999, by the Commission shall remain the same.
3. That this order shall become effective on January 25, 1999.
