ORDER CORRECTING CASE DESIGNATION  
AND AMENDING CAPTION

On December 11, 1998, Osage Water Company (Applicant), filed an Application for Certificate of Convenience and Necessity to construct and otherwise maintain a sewer works in Camden County. Due to an error by the Applicant in captioning the case, it was assigned number WA-99-268.

On December 17, 1998, Applicant moved to change the caption of the case to reflect that Applicant was seeking approval to provide sewer service only and not water service and to correct the case designation to read SA-99-268 instead of WA-99-268. The Commission will order the Records Department of the Commission to make the appropriate changes to the case caption and number.

**IT IS THEREFORE ORDERED:**

1. That the Records Department of the Commission shall correct the case number in WA-99-268 to be SA-99-268.
2. That the caption of the case will now read as follows:

"In the Matter of the Application of Osage Water

Authorizing It to Construct, Install, Own,  
Operate, Control, Manage and Maintain a Sewer
