BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Cancellation of the)
Certificate of Service Authority and Tariffs) Case No. TD-98-359
of International Telecommunications Exchange)
Corporation.)

ORDER ESTABLISHING CASE AND GIVING NOTICE

The Staff of the Commission (Staff) filed a motion on February 19, 1998 asking the Commission to open a docket for the purpose of canceling the interexchange certificate and tariffs of International Telecommunications Exchange Corporation (ITEC). Staff stated in its motion that ITEC had failed to file annual reports with the Commission as required by Sections 392.210 and 392.390.1, RSMo 1994. Staff made efforts to contact the company but mail was returned marked "Undeliverable As Addressed - Unable to Forward." The Missouri Secretary of State's Office informed Staff that ITEC was administratively dissolved on November 8, 1995 for failure to file an annual report. Staff included with its motion a memorandum setting out the facts alleged in the motion and recommending that ITEC's certificate and tariffs be canceled for failure to comply with Missouri law and the conditions of certification. ITEC was granted its certificate in Case No. TA-92-69. Section 392.410, RSMo Supp. 1997, gives the Commission authority to cancel a telecommunications company's certificate of service authority.

The Commission has considered Staff's motion and recommendation and finds that a case should be opened to determine whether the company's certificate and tariff should be canceled. The company should be given

notice of this proceeding and an opportunity to be heard. The requirement of due hearing is met when an opportunity for hearing is provided and no proper party requests the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494, 496 (Mo. App. 1989). Therefore if, after notice, no proper party requests an opportunity to be heard, the Commission may determine that no further hearing is necessary.

IT IS THEREFORE ORDERED:

1. That Case No. TD-98-359 is established to consider whether International Telecommunications Exchange Corporation's certificate and tariffs should be canceled.

2. That the Records Department of the Commission shall send a copy of this order to the registered agent for International Telecommunications Exchange Corporation by certified mail.

3. That International Telecommunications Exchange Corporation's certificate and tariffs shall be canceled without hearing if the company fails to respond on or before March 27, 1998.

4. That this order shall become effective on February 25, 1998.
