RE: Proposed Rescission of Rule 4 CSR 240-2.080 and Adoption of Proposed New Rule 4 CSR 240-2.080

Dear Mr. Roberts:

Executive Order 93-13 requires state agencies to undertake a "takings analysis" of each proposed rule or regulation in light of the United States Supreme Court decision in *Lucas v. South Carolina Coastal Council*, 112 S. Ct. 2886 (1992). Pursuant to that order, I have undertaken a "takings analysis" of the above-referenced proposed rulemaking. In *Lucas*, the Court held that state regulation depriving an owner of real property of all economically beneficial use of that property constitutes a "taking" under the Fifth and Fourteenth Amendments of the U.S. Constitution, for which the property owner must be compensated. The Court also held that when state regulations compel a property owner to suffer a permanent physical invasion of his/her property, such an invasion is compensable.

The proposed new rule prescribes the content and procedure for filing pleadings before the Commission and for service thereof.

Replacing the existing rule with the proposed new rule does not implicate the takings clause of the U.S. Constitution, because the rule does not involve the taking of real property.

RE: Proposed Rescission of Existing Rule 4 CSR 240-2.080 and Adoption of Proposed New Rule 4 CSR 240-2.080

Dear Mr. Roberts:

Executive Order 96-18 requires state agencies to determine whether a proposed rulemaking will have direct economic impact on small businesses of five hundred dollars or more in the aggregate. A small business is defined in the Executive Order as an independently owned and operated business entity that employs fifty or fewer full-time employees.

Replacing the existing rule with the proposed new rule will not have a direct economic impact on small businesses of five hundred dollars or more in the aggregate.

Please let me know if you have any questions on this issue.

Very truly yours,

Nancy Dippell
 Senior Regulatory Law Judge
