PROPOSED RULE

4 CSR 240-2.090 Discovery and Prehearings

PURPOSE: This rule prescribes the procedures for depositions, written interrogatories, data requests and prehearing conferences.

(1) Discovery may be obtained by one (1) or more of the following methods: depositions upon oral examination or written questions, written interrogatories, requests for production of documents or things and requests for admission upon and under the same conditions as in civil actions in the circuit court. Sanctions for abuse of the discovery process or failure to comply with commission orders regarding discovery shall be the same as those provided for in the rules of civil procedure.

(2) Parties may use data requests as a means for discovery. The party to whom data requests are presented shall answer the requests within twenty (20) days after receipt unless otherwise agreed by the parties to the data requests. If the recipient objects to data requests or is unable to answer within twenty (20) days, the recipient shall serve all of the objections or reasons for its inability to answer in writing upon the requesting party within ten (10) days after receipt of the data requests, unless otherwise ordered by the commission. If the recipient asserts an inability to answer the data requests within the twenty (20)-day time limit, the recipient shall include the date it will be able to answer the data requests simultaneously with its reasons for its inability to answer. Upon agreement by the parties or for good cause shown, the time limits may be modified. As used in this rule, the term data request shall mean an informal written request for documents or information which may be transmitted directly between agents or employees of the commission, public counsel or other parties. Answers to data requests need not be under oath or be in any particular format, but shall be signed by a person who could attest to the truthfulness and correctness of the answers. Sanctions for failure to answer data requests shall be the same as those provided for abuse of the discovery process in section (1) of this rule. The responding party shall promptly notify the requesting party of any changes to the answers previously given to a data request.

(3) All prehearing conferences shall be held as directed by the commission or presiding officer, and reasonable notice of the prehearing conference time shall be given to the parties involved.

(4) Any party may petition the commission to hold a prehearing conference at any time prior to the hearing.

(5) If a party does not attend a prehearing conference and is not excused by the commission or presiding officer, the party may be dismissed from the case.

(6) Parties may consider procedural and substantive matters at the prehearing conference which may aid in the disposition of the issues. Matters which require a decision may be presented to the presiding officer during the conference.

(7) Facts disclosed in the course of a prehearing conference are privileged and, except by agreement, shall not be used against participating parties unless fully substantiated by other evidence.

(8) In any motion to compel or motion for sanctions, the moving party shall describe the attempts made to resolve the matter and shall attach the disputed discovery request and any answers and objections to it.
