ORDER APPROVING TARIFF

On July 6, 1999, the Commission issued its Order Approving Mergers and Related Transactions. That order approved a series of mergers and related internal transactions in order to consolidate the applicant's long distance operations. The Commission's order directed the parties to file any appropriate tariff adoptions and changes by September 3. At the request of the parties, that deadline was later extended to September 10. The appropriate tariff filings were submitted on September 9, and bore an effective date of October 9. At the request of the submitting party, the effective dates of the tariffs were subsequently extended, first to October 30 and then November 30. On November 10, Staff filed a memorandum indicating that Staff has reviewed the tariff sheets submitted by MCI WorldCom Communications, Inc. and recommends that the Commission approve them as submitted.

The Commission has reviewed the tariff sheets and Staff's recommendation and finds that the tariff sheets should be approved to become effective on November 30.
