

BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of the Application of JATO)
Communications Corp. for Approval of Intercon-) Case No. TO-99-555
nection Agreement Under the Telecommunications)
Act of 1996.)

ORDER DIRECTING NOTICE
AND MAKING SOUTHWESTERN BELL TELEPHONE COMPANY A PARTY

On May 13, 1999, JATO Communications Corp. (JATO) filed an application with the Commission for approval of an interconnection agreement with Southwestern Bell Telephone Company (SWBT) under the provisions of the federal Telecommunications Act of 1996 (the Act). The applicant states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest. The applicant requests expeditious approval of the agreement.

Although SWBT is a party to the agreement, it did not join in the application. Because SWBT is a necessary party to a full and fair adjudication of this matter, the Commission will add SWBT as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent

with the public interest, convenience, and necessity. 47 U.S.C. § 252(e).

The Commission finds that proper persons should be allowed 20 days from the issuance of this order to file a motion for hearing or an application to participate without intervention. Participation may be permitted for the limited purpose of filing comments addressing whether this agreement meets the federal standards for approval of interconnection or resale agreements. The requirement of a hearing is met when an opportunity to be heard has been provided and no proper party has requested the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2D 494, 496 (Mo. App. 1989).

Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously and, if there are no requests for a hearing, relief may be granted based on the verified petition. The Commission finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

IT IS THEREFORE ORDERED:

1. That the Records Department of the Commission shall send notice to all interexchange and local exchange telecommunications companies.

2. That Southwestern Bell Telephone Company is made a party to this case.

3. That any party wishing to request a hearing or to participate without intervention in this matter shall file an application no later than June 7, 1999, with:

Dale Hardy Roberts, Secretary
Missouri Public Service Commission
