ORDER DENYING MOTIONS FOR REHEARING

Issue Date: March 16, 2016

Effective Date: March 16, 2016

On March 2, 2016, the Commission issued a Report and Order that granted KCP&L Greater Missouri Operations Company's application for a certificate of convenience and necessity to construct and operate a small utility-scale solar electrical production facility at the existing Greenwood Energy Center located in unincorporated Jackson County, Missouri. That Report and Order became effective on March 12. The Office of Public Counsel and United for Missouri, Inc. filed timely applications for rehearing.

Section 386.500.1, RSMo (2000), indicates the Commission shall grant an application for rehearing if "in its judgment sufficient reason therefor be made to appear." In the judgment of the Commission, Public Counsel and United for Missouri have not shown sufficient reason to rehear the report and order. The Commission will deny their applications for rehearing.

THE COMMISSION ORDERS THAT:

1. The Office of Public Counsel's Application for Rehearing is denied.

2. United For Missouri, Inc.'s Application for Rehearing is denied.
3. This order shall be effective when issued.
