The Commission has reviewed the application of Trigen and the UE response to that application and finds that, because of the nature of Trigen's business, that being the operation of a steam distribution system in the St. Louis area, Trigen has an interest in this matter different from that of the general public and will be allowed to intervene.

IT IS THEREFORE ORDERED:

1. That the application for intervention filed November 20, 1995, by Trigen-St. Louis Energy Corporation is hereby granted.
2. That this order shall become effective on the date hereof.

BY THE COMMISSION
