for Permission and Authority to Construct, Operate, Own,)
and Maintain a 345 Kilovolt Transmission Line in Maries,) **Case No. EO-2002-351**
Osage, and Pulaski Counties, Missouri ("Callaway-Franks)
Line").)

ORDER DIRECTING FILING

Handwritten: 1/28/02

This order sets a date for the filing of the Staff of the Missouri Public Service Commission's recommendation and time for objections to the application.

On January 18, 2002, AmerenUE filed an application with the Missouri Public Service Commission pursuant to Section 393.170, RSMo, requesting that the Commission grant it a certificate of convenience and necessity to construct, own, operate, and maintain a 345 kilovolt electric transmission line in Maries, Osage, and Pulaski Counties, Missouri. The proposed project is described as the "Callaway – Franks Line."

The Commission issued notice of the application and set an intervention period that ended on February 28, 2002. No requests for intervention were filed. The Commission did receive the attached letter from the Osage County Commission requesting that the Commission hold a local public hearing.

In order to effectively and expeditiously determine this matter, the Commission will set a time for objections to the application and requests for hearing to be filed. The Commission will also direct its Staff to file a recommendation.

Handwritten: H

IT IS THEREFORE ORDERED:

1. That any objections to the application or requests for a hearing shall be filed no later than April 15, 2002.
2. That the Staff of the Missouri Public Service Commission shall file a recommendation no later than April 15, 2002.
3. That this order shall become effective on March 18, 2002.
