**ORDER ADMITTING EXHIBIT 116C**

Issue Date: March 1, 2023

Effective Date: March 1, 2023

At the hearing on February 22, 2023, the Commission requested certain work papers from the Staff of the Commission’s witness J Luebbert. Exhibit number 116C (confidential) was reserved for these work papers. Because of the size of the exhibit, Staff provided a flash drive with the work papers to the presiding regulatory law judge on February 24, 2023 and also provided a link to the parties so they could access the work papers to review them.

The Commission set February 28, 2023 as the date for any objections to confidential Exhibit 116C. No objection was received and Exhibit 116C will be admitted. The documents on the flash drive provided to the presiding regulatory law judge will be submitted to the Commission’s Electronic Filing and Information System.

**THE COMMISSION ORDERS THAT:**

1. Exhibit 116C (confidential) is admitted.
2. This order shall be effective when issued.
