Case No. WR-94-165

ORDER APPROVING TARIFFS FOR RECEIVER

On November 24, 1993, Dan Dowell, Receiver for Davis Water Company, submitted tariffs for the provision of water service under his authority as Receiver. The tariffs are proposed to be effective on December 1, 1993, as required by court order. This docket was created to consider the expedited nature of Dowell's request.

On November 24, 1993, Commission Staff filed a memorandum in which it recommended approval of the proposed tariffs. Staff indicates these tariffs are the same as those approved for service for Davis Water Company in Case No. WM-94-61. Although not currently in effect, the rates will be effective once the sale to KMB Utility Corporation is final.

The Commission will approve the proposed tariffs since they are identical to the ones currently in effect. The appointment of a Receiver for this company is one more step in ensuring customers will receive safe and adequate water service.

IT IS THEREFORE ORDERED:

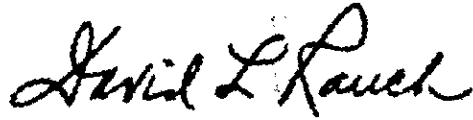

1. That the proposed tariff submitted by Dan Dowell, Receiver for Davis Water Company, on November 24, 1993, be hereby approved for service on and after December 1, 1993. The tariffs approved are:

P.S.C. MO. No. 1

3rd Revised Sheet No. 16, Cancelling 2nd Revised Sheet No. 16
Original Sheet No. 16A

2. That this order shall become effective on the 1st day of December, 1993.
