

STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a session of the Public Service
Commission held at its office
in Jefferson City on the 14th
day of December, 1990.

In the matter of the application of Directline)
Austin, Inc. for permission to surrender and)
cancel its certificate of public convenience)
and necessity and to cancel its tariff in the)
State of Missouri.) CASE NO. TD-91-168

ORDER CANCELLING CERTIFICATE AND TARIFF

On October 29, 1990, Directline Austin, Inc. (DAI or Applicant), filed an application requesting that the Commission cancel its certificate to provide intrastate interexchange telecommunications services as well as the tariff pursuant to which it had provided these services.

Applicant is a Texas corporation with its principal office and place of business located at 100 Taylor Street, San Antonio, Texas 78205. Applicant obtained its certificate from this Commission in Case No. TO-84-223. Applicant is a wholly-owned subsidiary of Advanced Telecommunications Corporation (ATC). On November 1, 1988, Applicant transferred its assets and customers to Satelco, Inc. (SI), another wholly-owned subsidiary of ATC, which obtained its certificate from this Commission to provide intrastate interexchange telecommunications services in the State of Missouri in Case No. TA-87-44.

Since Applicant no longer has customers served pursuant to tariff within the State of Missouri, Applicant requests that the Commission cancel its certificate and its tariff.

On December 10, 1990, the Commission's Staff (Staff) filed a memorandum in this case recommending that the Commission issue an order cancelling Applicant's certificate and its Missouri intrastate tariff.

The Commission determines that the recommendation of its Staff is reasonable. Since Applicant has stated in its verified application that it no longer

has customers in the State of Missouri that it serves pursuant to its tariff on file with this Commission, the Commission determines that Applicant's certificate and tariff should be cancelled as Applicant requests.

IT IS THEREFORE ORDERED:

1. That the certificate of Directline Austin, Inc., to provide intrastate interexchange telecommunications services in the State of Missouri be cancelled hereby as well as the tariff of Directline Austin, Inc., pursuant to which it provided such services.

2. That this order shall become effective on the 27th day of December, 1990.
