AND DIRECTING FILING OF PROCEDURAL SCHEDULE**

On April 28, 2000, the Commission issued an order suspending a proposed tariff filed by Warren County Water and Sewer Company. The Commission acted in response to a Joint Motion to Suspend Tariff filed by the Staff of the Public Service Commission and the Office of the Public Counsel. In its order suspending the tariff, the Commission directed that a copy of the order be sent to the county government of Warren County, Missouri, the Board of Trustees of Incline Village, the members of the general assembly who represent Warren County and the newspapers that serve that county. The order directed that any person or entity wishing to intervene in this case should submit an application to intervene on or before May 18, 2000. No applications to intervene were submitted.

So that this case may proceed expeditiously, the parties will be directed to file a proposed procedural schedule. The procedural schedule shall include dates for the filing of testimony and for a hearing. To assist in the development of the procedural schedule and to clarify the issues in dispute, an early prehearing conference will be scheduled.
