Re: EC-2005-0245

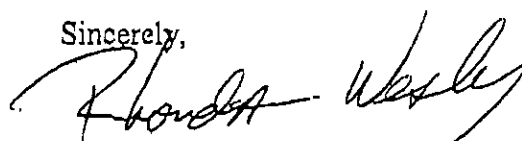

Dear Commission;

This serves to state that I am unable to participate in a scheduled conference at 10:00A.M., on 4/11 per the 3/17/05 order of the Commission. I have a medical appointment at that scheduled time.

However, I am able to participate via phone at 2:00 or 3:00P.M., on 4/11. I request a phone conference for the ordered proceeding and can be reached then at (913)341-0303.

If the proposed change of time can meet the schedules of others, I request that this change is made.

Sincerely,

Rhonda Wesley
