STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a Session of the Public Service
Commission held at its office
in Jefferson City on the 26th
day of February, 1987.

CASE NO. AO-87-48

In the matter of the investigation
of the revenue effects upon Missouri
utilities of the Tax Reform Act of
1986.

ORDER GRANTING MOTION

On February 18, 1987, St. Louis County Water Company filed a Motion requesting a waiver from the requirement of filing information regarding the effects of the 1986 Tax Reform Act on the Company's 1986 Missouri operations.

In support of its Motion, the Company states that it is presently involved in both a complaint case and a consolidated rate case both of which address the issue of the Tax Reform Act on the Company's operations.

The Commission having reviewed the Company's Motion, determines that it is reasonable and should be granted.

It is, therefore,

ORDERED: 1. That the St. Louis County Water Company be, and it is, hereby relieved of the requirement of filing information setting forth the estimated effects of the 1986 Tax Reform Act on its 1986 Missouri operations.

ORDERED: 2. That this Order shall become effective on the date hereof.
