Case No. TM-2000-653

ORDER DIRECTING RESPONSE

On October 17, 2000, the Commission issued its Order Approving Merger. That order approved a transaction whereby Communications TeleSystems International d/b/a WORLDxCHANGE Communications was merged with and into WorldxChange Communications, Inc., a wholly owned subsidiary of World Access, Inc. The order provided that the Commission's approval of the proposed transaction was conditioned upon WorldxChange Communications, Inc. having its own tariff then in effect or upon its immediate adoption of the tariff of Communications TeleSystems International, d/b/a WORLDxCHANGE Communications. Furthermore, the order directed that, within ten days following the completion of the authorized transaction, the surviving company, WorldxChange Communications Inc., was to file a pleading notifying the Commission that the certificate and tariff (if not adopted by WorldxChange) of Communications TeleSystems International d/b/a WORLDxCHANGE Communications might then be canceled.

A press release issued on December 19, 2000 indicates that the authorized transaction has been completed but the Commission has not received the pleading required by its October 17 order.

IT IS THEREFORE ORDERED:

1. That WorldxChange Communications, Inc., shall, no later than February 13, 2001, file a pleading informing the Commission of the status of the transaction authorized in the Commission's order of October 17, 2000.

2. That this order shall become effective on February 2, 2001.
