ORDER APPROVING ACTUAL COST ADJUSTMENT AND CLOSING DOCKET

This case was established to address St. Joseph Light & Power Company's (SJLP) Actual Cost Adjustment (ACA) for the 1990-1991 ACA period for the North Division (also referred to as "other than FRT area").

On October 25, 1993, the Commission's Staff (Staff) filed its recommendation stating therein that its Accounting Department had completed its audit and recommended closing balances for this ACA case, which, it believes, resolves all outstanding matters in this case. Staff states that SJLP is aware of the balances recommended by Staff and has agreed to them as the closing balances. Staff recommends the case be closed upon the Commission's order.

The Commission has considered the case file and Staff's recommendation and determines that the closing balances for the ACA period herein should be approved as recommended by Staff and that the docket should be closed.

**IT IS THEREFORE ORDERED:**

1. That the following Actual Cost Adjustment closing balances be hereby adopted for use by St. Joseph Light & Power Company:

<u>ACA PERIOD</u>	<u>AREA</u>	<u>FACTOR</u>	<u>ADJUSTMENT OVER/UNDER</u>
