

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

**In the Matter of a Proposed Experimental Regulatory) Case No. EO-2005-0329
Plan of Kansas City Power & Light Company)**

**MISSOURI JOINT MUNICIPAL ELECTRIC UTILITY COMMISSION'S
STATEMENT OF POSITION**

COMES NOW the Missouri Joint Municipal Electric Utility Commission ("MJMEUC" or "Municipal Electric Commission") and submits its Statement of Position on Issues and respectfully requests leave to file this Statement one day out of time. Counsel for MJMEUC was unexpectedly delayed in returning to central Missouri on June 2, and, given MJMEUC's limited participation and the hearing schedule now anticipated, believes no prejudice to other parties or inconvenience to the Commission will be caused by this late filing.

The Municipal Electric Commission has participated in this docket in the course of pursuing partnership status in Iatan 2, a project it believes to be important to the citizens of many Missouri municipalities that operate electric utilities as well as to the ratepayers of KCP&L, to other potential partners and to the broader electric power markets and end-users of electricity in Missouri. In view of that limited purpose of its participation, MJMEUC is not prepared to take a position on the variety of issues that have been submitted (many of which appear non-essential and tangential to the proceeding) except to indicate that, as a signatory to the Stipulation and Agreement, MJMEUC believes the Commission's approval of it would be in the public interest and wholly within the authority of the Commission.

WHEREFORE, MJMEUC respectfully submits this Statement of Position and requests that it be accepted for filing.

Dated: June 3, 2005

Respectfully submitted,

Duncan E. Kincheloe
