

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of)
Q LINK WIRELESS LCC for Designation) Case No. RA-2012-0205
As An Eligible Telecommunications Carrier)
In the State of Missouri)

THIRD AMENDMENT TO APPLICATION

COMES NOW Q LINK WIRELESS LCC (“Q LINK” or “Company”) and, upon consultation with Staff of the Missouri Public Service Commission (“Staff”) hereby requests leave of the Missouri Public Service Commission (“Commission”) to submit this Third Amendment to its Application for Designation as a Wireless Eligible Telecommunications Carrier. In support of its Third Amendment, Q LINK states as follows:

1. On January 4, 2012, Q LINK filed its Application for Designation as a Wireless Eligible Telecommunications Carrier (“Application”) with the Commission. Attached as Exhibit 3 to its Application is the Company’s proposed Lifeline Application form. While that form is almost identical to the generic Missouri Lifeline Application form that appears on the Commission’s website, it contains additional language regarding the applicant’s certification that it is not currently enrolled with any other provider’s Lifeline program.

2. Staff has requested that the Company remove the additional language. Q Link respectfully requests that the Commission consider in its determination on the Company’s Application the attached revised Lifeline Application form, attached hereto as **Exhibit A**, which mirrors the generic Missouri Lifeline Application form that appears on the Commission’s website and removes the additional language that appeared in the Company’s Exhibit 3.

WHEREFORE, pursuant to 4 CSR 240-2.080(18), Q LINK respectfully updates its Lifeline Application form that is part of its Application for Designation as a Wireless Eligible

Telecommunications Carrier.

Respectfully submitted,
