

BEFORE THE MISSOURI PUBLIC SERVICE COMMISSION

In the Matter of the Stipulation Respecting Adjustments)
to Sewer Charges Applicable to Four Seasons Racquet and) Case No. SO-2011-0046
Country Club Condominium Owners Association, Inc.)

QUARTERLY STATUS REPORT

COMES NOW Lake Region Water and Sewer Company (“Lake Region” or “Company”)
and for this quarterly status report submits the following to the Commission:

1. The Company continues to take daily readings each day for the Parshall Flume and the associated water meters and forwarding those readings to Staff Engineer Martin Hummel periodically. Mr. Hummel continues to provide precipitation data to the Company.

2. The Company is investigating construction of a short sewer main to eliminate several metering points for flow from the hotel. Mr. Hummel visited the site with Company personnel on January 5, 2012 to assist in taking preliminary measurements and elevations. The Company is currently evaluating this scenario.

3. Once the Company has reviewed the preliminary measurements it will consider the feasibility of the short sewer main, and schedule another conference with the Company, Mr. Hummel and the customers to discuss and receive their input. The Company will continue to gather data and work with Mr. Hummel and the customers involved to determine the best future course of action.

Respectfully submitted,

/s/ Mark W. Comley
