Re: 3L Communications Missouri, LLC
Case No. TA-2012-0201

Dear Mr. Reed:

With respect to the ongoing review of the application and other materials filed in the referenced matter, be advised that 3L Communications Missouri, LLC ("Company") will undertake all necessary measures to ensure its contracts with underlying carriers do not contain provisions preventing delivery of traffic to any telephone exchange area of Missouri. Such measures include but are not limited to:

- Prevention of call blocking and/or call gapping based on the cost of traffic termination.
- Preventing the alteration or stripping of Calling Party Number identification.
- Ensuring sufficient network capacity exists to process all traffic according to industry accepted practices.

Would you please share the contents of my letter with all members of the Commission staff who have an interest in this case. If you have questions please do not hesitate to call me. Thank you very much for your attention.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
