**NOTICE OF PRIOR TARIFF APPROVAL**

Issue Date: March 28, 2006

On June 6, 2005, Timber Creek Sewer Company applied to the Commission requesting authority to construct, install, own, operate, control, manage, and maintain a sewer system in an unincorporated portion of Clay County, Missouri. The Commission issued an order granting Timber Creek a certificate on January 5, 2006. That order required Timber Creek to file tariff sheets with the Commission.

In addition, in Case No. SA-2006-0297, Timber Creek received a certificate for another area, and the Commission ordered Timber Creek to file tariff sheets in that case as well. Timber Creek filed those tariff sheets in both cases.

The Commission approved those tariff sheets in Case No. SA-2006-0297. The Commission will not re-approve them in this case, but instead issues this Notice of Prior Tariff Approval.
