Carrier) **File No. RA-2012-0059**

ORDER CONTINUING CONSIDERATION OF APPLICATION

Issue Date: October 6, 2011

Effective Date: October 6, 2011

On August 22, 2011, EveryCall Communications, Inc., d/b/a All American Wireless, applied for designation as an Eligible Telecommunications Carrier (ETC) on a wireless basis throughout Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri's non-rural exchanges. EveryCall is seeking ETC status solely to participate in the low-income programs of the Universal Service Fund. The Commission directed its Staff to file a recommendation about EveryCall's application by October 14.

On October 4, Staff filed a motion requesting more time to file its recommendation. Before the Commission acted on Staff's motion, EveryCall filed a motion on October 6 asking the Commission to delay consideration of its application. The company explained that it has filed for bankruptcy in Louisiana and asks the Commission to delay acting on its application until its Chapter 11 bankruptcy Plan of Reorganization is approved. EveryCall expects the bankruptcy court to approve its reorganization plan by the end of this year and will notify the Commission when the plan is approved. Staff does not object to the continuance requested by EveryCall.

The Commission will grant EveryCall's motion for continuance. Since it is delaying consideration of EveryCall's application, the Commission will also relieve Staff of any obligation to file a recommendation until further order of the Commission.

THE COMMISSION ORDERS THAT:

1. EveryCall Communications, Inc., d/b/a All American Wireless' Motion for Indefinite Continuance is granted.
2. The Commission's Staff is relieved of any obligation to file a recommendation regarding EveryCall Communications, Inc., d/b/a All American Wireless' Application for Designation as a Non-Rural Wireless Eligible Telecommunications Carrier until further order of the Commission.
3. This order shall become effective immediately upon issuance.
