Process and level of authority for discontinuance of service to a Registered Customer

- 1) Registered Customers are separated from daily non-pay shut off accounts and sent to Customer Advisors.
- 2) Customer Advisor reviews account and makes contact with customer or designated 3rd party contact.
- 3) If decision is made to discontinue service, Customer Advisor contacts an officer of the company.
- 4) Our practice is not to discontinue service to Registered Customers during the Cold Weather Rule ("CWR") period (November 1 through March 31).
