

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of CenturyTel of Missouri,)
LLC for Review and Reversal of North American Number) **Case No. IO-2005-0178**
Plan Administrator's Decision to Withhold Numbering)
Resources for the Dardenne, Missouri Rate Center.)

REPORT OF CENTURYTEL OF MISSOURI, LLC

COMES NOW CenturyTel of Missouri, LLC ("CenturyTel") and, pursuant to the Missouri Public Service Commission's ("Commission") Order Granting Additional Numbering Resources¹ ("Order") issued in this matter on January 11, 2005, respectfully files its Report with the Commission recommending that this case now be closed.

1. As a part of the Commission's Order overturning the North American Number Plan Administrator's decision regarding the Dardenne rate center, the following Ordered Paragraphs provided as follows:

3. That the North American Number Plan Administrator shall issue to CenturyTel of Missouri, LLC, a block of 10,000 telephone numbers in the Dardenne rate center.
4. That within 30 days of receiving the 10,000 NPA/NXX code, CenturyTel of Missouri, LLC, is directed to return to the Pooling Administrator 8,000 of the 10,000 telephone numbers issued for the Dardenne rate center.
5. That CenturyTel of Missouri, LLC, is directed to submit a pleading in this case informing the Commission of its compliance with ordered paragraph number 4, above. This pleading shall include a copy of the Pooling Administrator Part 3 form, verifying return of the unused telephone numbers.

¹ This filing also is responsive to the Notice Reopening Case issued February 2, 2005.

6. That CenturyTel of Missouri, LLC, shall file the pleading discussed in ordered paragraph 5 within 60 days of receiving the 10,000 NPA/NXX code. If CenturyTel is unable to file the pleading as directed, the company shall instead file a status report.

2. As reflected in the attached "Pooling Administrator's Response/Confirmation Part 3" forms ("**Attachment A**"), CenturyTel was issued 2,000 numbers (rather than 10,000) on February 19, 2005. Rather than the whole NXX, the Pooling Administrator only assigned two 1,000 blocks (this is represented by the "NPA-NXX-X 636-755-2 and NPA-NXX-X 636-755-3 designations on the attached forms).

3. Accordingly, CenturyTel did not have to return the anticipated 8,000 telephone numbers as required in Ordered Paragraph 4 above.

4. CenturyTel submits this pleading within 60 days of receiving the telephone numbers, in compliance with Ordered Paragraph 6 of the Order.

5. Whereas all actions contemplated by the Commission's Order have occurred, CenturyTel respectfully submits that this case may now be closed.

WHEREFORE, CenturyTel respectfully submits its pleading informing the Commission of the above-stated actions and the current status of this matter.

Respectfully submitted,

/s/ Larry W. Dority
