Case No. WE2007-04-05

**Request to Accept Application for Extension Out of Time and to Extend Time for Filing  
Annual Report**

Comes now, The Raytown Water Company (Applicant) pursuant to 4 CSR 240-2.015, 4 CSR 240-2.050(3)(B), 4 CSR 240-2.060 and 4 CSR 240-3.640(8) and requests that the commission accept Applicant's previously submitted application of extension of time to file its annual report out of time and grant Applicant's request for an extension of time to file its Annual Report to and including June 15, 2007. In support of this application for extension Applicant states as follows:

1. The Applicant is a Missouri water corporation as defined in Chapter 386 of the Missouri Revised Statutes and subject to the jurisdiction of the Missouri Public Service Commission (the "Commission"). Applicant's address and principal place of business is 9820 East 63<sup>rd</sup> Street, Raytown, Missouri 64133.
2. Correspondence, communications, orders and decisions of the Commission in this matter should be sent to:

Neal Clevenger, President,  
The Raytown Water Company  
9820 E. 63<sup>rd</sup> Street  
Raytown, MO 64133  
(816) 356-0333

and

3. Applicant is a very small investor-owned water utility and utilizes the accounting services of a certified public accountant, David Aldridge, of Marr & Company, P.C., a small accounting firm.
4. Marr & Company, in the course of preparing the 2006 federal and state income tax returns for the Company, have advised the Company that they needed to file for an extension with the Internal Revenue Service for filing the 2006 returns, as they were not able to complete preparation of the returns for filing by them by the IRS filing date. On April 12, 2007 Marr & Company advised the Applicant that they could not prepare the Annual Report for 2006 for filing with the Commission until the 2006 income tax returns are completed for filing, as certain final information from the tax returns is necessary to complete the Company's Annual Report. Marr & Company has told applicant that all of this can be completed on or before June 15, 2007.
5. Applicant notified its counsel of the need to file a request for extension on April 12, 2007, the same date Applicant learned of the need from its CPA.
6. Counsel for Applicant prepared an application for extension to file the annual report and sent it to the commission of filing that very same day; April 12, 2007.
7. Due to a clerical oversight, the application was mailed rather than sent via overnight delivery. Applicant was notified late yesterday, April 18, 2007 that the

application for extension was just received by the commission and is now out of time.

8. There are no assessments overdue by the Company and there are no annual reports overdue nor other than the one for which this extension is sought.
9. Other than the present case, the undersigned is not aware of any pending cases before the Commission where the Company's activities are the primary focus of the proceeding.

WHEREFORE, Applicant respectfully requests that the Commission issue an order or decision granting Applicant leave to submit the extension out of time or in the alternative deem the application submitted as of the date it was mailed to the Commission (April 12, 2007) and grant Applicant an extension of time to and including June 15, 2007 to file its Annual Report for the year 2006.
