RE: HT-2021-0351 – for service provided Q4 2021

Mr. Woodruff:

Filed through EFIS is the following steam tariff sheet for filing on behalf of Evergy Missouri West, Inc. d/b/a Evergy Missouri West – For St. Joseph, Missouri and Environs, providing the current Quarterly Cost Adjustment (“QCA”) per the Stipulation and Agreement in Case No. HR-2009-0092, and adjusted in Case No. HR-2018-0231.

The tariff sheet, listed below, has a proposed effective date of March 1, 2022. The proposed QCA rate is \$0.6380 as compared to the current effective rate of \$0.3389. The increase in the QCA rate is primarily driven by higher natural gas prices during the fourth quarter of 2021 as compared to the same time period in 2020. Workpapers in support of the calculation are also included with this filing.

Evergy Missouri West, Inc. d/b/a Evergy Missouri West, PSC Mo. No. 1, Steam Rates, Effective March 1, 2022 – 51st Revised Sheet No. 6.10, canceling 50th Revised Sheet No. 6.10.

Respectfully,

Lisa A. Starkebaum
