Re: Southwestern Bell Telephone Company's Quarterly Monitoring Report in Compliance with the Commission's Arbitration Order in In the Matter of DIECA Communications Inc., d/b/a Covad Communications Company, for Arbitration of Interconnection Rates, Terms, Conditions and Related Arrangements with Southwestern Bell Telephone Company, Case No. TO-2000-322, March 23, 2000.

Dear Judge Roberts:

Enclosed for filing with the Commission in the above-referenced case are an original and eight copies of the Highly Confidential (HC) version of Southwestern Bell Telephone Company's ("SWBT") Quarterly Monitoring Report. As you know, the Commission ordered SWBT to provide confidential quarterly monitoring reports beginning July 1, 2000, showing the total number of loops requested for xDSL based services and the number of loops requested that required conditioning by binder group and by each affiliate or company requiring these loops or services. Arbitration Order, In the Matter of DIECA Communications Inc., d/b/a Covad Communications Company, for Arbitration of Interconnection Rates, Terms, Conditions and Related Arrangements with Southwestern Bell Telephone Company, Case No. TO-2000-322, March 23, 2000, p. 20. Also enclosed for filing is an original redacted (NP) copy of SWBT's Quarterly Monitoring Report.

I have marked SWBT's Quarterly Monitoring Report with the "Highly Confidential" designation. Based on the Commission's Arbitration Order, it is our understanding that this report is for the Commission's use only. SWBT, therefore, has not provided this report to the other parties in the above-referenced case.

If you have any questions, please do not hesitate to contact me. I can be reached at (314)235-4094.

Very truly yours,

Mimi B. MacDonald /tm
