**ORDER APPROVING TARIFFS**

Pursuant to the Commission's informal rate procedure, Stockton Hills Water Company (Stockton Hills) filed tariffs designed to increase current annual revenue by \$6100.00, or 43%. These tariffs bear an effective date of December 1, 1995.

The Staff of the Commission completed an audit of the books, records, and operations of Stockton Hills and filed its recommendation on November 22, 1995. In that recommendation the Staff recommends the approval of the proposed increase as reflected in the tariff filing of October 10, 1995, with substitute sheets filed October 25, 1995. The Staff states that the current charge for a residential customer using 5000 gallons of water per month will reflect an increase from \$11.00 per month to \$16.98 per month.

The Staff recommendation reflects agreement on the proposed rate increase by Stockton Hills, the Staff, and the Office of the Public Counsel. The Staff recommendation also states that notice was given of the

proposed increase to the customers of Stockton Hills and that no adverse responses were received.

As all parties have agreed to the proposed increase and, as no adverse comments were received from the customers of Stockton, the Commission finds that no public hearing is necessary in this matter.

The Commission has reviewed the proposed tariffs and accompanying material and finds that the proposed increase in annual revenue is reasonable and in the public interest. The Commission will, therefore, approve the proposed substitute tariffs, filed by the applicant on October 25, 1995, for service on or after December 1, 1995.

**IT IS THEREFORE ORDERED:**

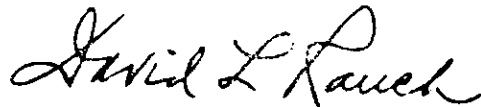

1. That the following substitute tariffs, filed October 25, 1995, by Stockton Hills Water Company, are approved for service on or after December 1, 1995:

P.S.C. Mo. No. 2

1st Revised Sheet No. 6, cancelling Original Sheet No. 6  
1st Revised Sheet No. 7, cancelling Original Sheet No. 7  
1st Revised Sheet No. 32, cancelling Original Sheet No. 32

2. That this order shall become effective on December 1, 1995.
