**ORDER APPROVING TARIFFS PURSUANT TO COMMISSION ORDER**

On August 10, 1998, Ozark Water & Wastewater Management, Inc. (OWWM) submitted tariff sheets pursuant to an Order Directing Reduction in Surcharge dated July 2.

On August 27, the Staff of the Commission (Staff) filed its memorandum. In that memorandum the Staff states that it has reviewed the tariffs, finds that they are correct and comply with the Commission's order, and recommends approval. Staff notes that although the tariffs were not timely filed pursuant to the Commission's July 2 order, they were filed promptly upon Staff sending a letter to OWWM reminding it of its obligation to file them.

The Commission has reviewed the tariff filing and the Staff memorandum and has determined the filing to be in compliance with the Commission's order. The Commission will not sanction OWWM for not timely filing the tariffs.

**IT IS THEREFORE ORDERED:**

1. That Tariff No. 9900115, filed August 10, 1998, by Ozark Water & Wastewater Management, Inc., consisting of the following tariff sheets is hereby approved for service on or after September 6, 1998:

2. That this order shall become effective on September 6, 1998.
