1. On November 17, 2021 (effective December 17, 2021), the Commission issued its Report and Order ("Order") in this matter. Therein the Commission Granted MAWC a Certificate of Convenience and Necessity ("CCN") to install, own, acquire, construct, operate, control, manage, and maintain a sewer system in and around Hallsville, Missouri. Among other things, the Order further directed that MAWC submit "new and revised tariff sheets, to take effect before closing on the Hallsville System."

3. The City of Hallsville is prepared to close this transaction in approximately one month. Accordingly, MAWC hereby seeks the Commission's order allowing the proposed tariff sheets to go into effect on less than thirty days notice, to be effective February 25, 2022.

4. A grant of this motion will allow the transaction to move forward in a timely manner. There will be no negative effect on the customers or the general public from a grant of this motion and this motion has been filed as soon as it could be after the establishment of a closing date.

WHEREFORE, Missouri-American Water Company respectfully requests the Commission grant this Motion for Expedited Treatment and approve MAWC's proposed tariff sheets (JS-2022-0219) to be effective as of February 25, 2022.
