ORDER ON BRIEFING SCHEDULE

Issue Date: May 28, 2021

Effective Date: May 28, 2021

On April 8, 2021, the Commission conducted an evidentiary hearing in the matter of the application of Missouri-American Water Company (MAWC) for a certificate of convenience and necessity to install, own, acquire, construct, operate, control, manage, and maintain a sewer system in and around Hallsville, Missouri. MAWC’s application seeks Commission authority to acquire the City of Hallsville sewer system. Boone County Regional Sewer District, the Staff of the Commission (Staff), and the Office of the Public Counsel are also parties.

On April 23, 2021, the Commission suspended the briefing schedule to permit the filing of additional documents and a supplement to Staff’s recommendation. When the briefing schedule was suspended, initial briefs were due in seven business days, on May 4, 2021, with reply briefs due one week later, on May 11, 2021.

On May 25, 2021, the period for objection expired, and on May 27, 2021, the Commission admitted Exhibits No. 308 and 309 to the record. The Commission will reinstate the schedule for post-hearing briefs.

THE COMMISSION ORDERS THAT:

1. Initial briefs shall be filed no later than June 9, 2021.
2. Reply briefs shall be filed no later than June 16, 2021.
3. This order shall be effective when issued.
