

STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a session of the Public Service
Commission held at its office
in Jefferson City on the 4th
day of October, 1991.

In the matter of the application of Compute-A-Call,)
Inc., for permission to surrender and cancel its) CASE NO. TD-91-301
certificate of public convenience and necessity.)

ORDER CANCELLING CERTIFICATE AND TARIFF

On April 1, 1991, Compute-A-Call, Inc. (CACI), filed an application requesting cancellation of its certificate of service authority to provide intrastate telecommunications service in the State of Missouri. On March 13, 1990, in Case No. TM-90-193, the Commission issued an order approving the sale of 100 percent of CACI's stock to CommuniGroup, Inc., which holds its own certificate as a reseller of telecommunications services.

On September 16, 1991, the Commission's Staff (Staff) filed a memorandum in this case recommending that the Commission cancel CACI's certificate and tariff to expire on the same date since CACI no longer needs its certificate.

Based on CACI's application and the recommendation of Staff, the Commission determines that the certificate of service authority and tariff of CACI should be cancelled to expire on the same date.

IT IS THEREFORE ORDERED:

1. That the certificate of service authority and tariff pursuant to which Compute-A-Call, Inc. provided intrastate telecommunications service in the State of Missouri be cancelled hereby to expire as of the effective date of this order, and that Compute-A-Call, Inc. be declared hereby to have been relieved of all further obligation as a public utility.

2. That this order shall become effective on the 16th day of October,
1991.
