ORDER CLOSING DOCKET

On November 18, 1992, a Complaint was filed by the St. Louis Hills Medical Center, Inc. (Complainant) against Laclede Gas Company (Laclede) alleging, inter alia, the improper assessment of fees or charges for the replacement of a meter. On January 4, 1993, Laclede filed its Motion to Dismiss Complaint and for Extension of Time in Which to File an Answer. The Commission's order of January 8, 1993 granted an extension of time in which to answer and denied Laclede's motion to dismiss. Laclede's Answer to Complaint was subsequently filed on January 19, 1993 and on March 30, 1993, the parties took part in a prehearing conference.

On April 19, 1993, the Commission received a Memorandum from the attorney for the Complainant stating that the Complainant and Laclede had executed a settlement and general release agreement and had also requested the dismissal of its Complaint.

The Commission has reviewed the settlement and general release agreement which is now on file and has reviewed the Complainant's Memorandum in which the Complainant dismisses its Complaint and has determined that Laclede has satisfied the Complaint and pursuant to 4 CSR 240-2.070(8) no further proceedings will be held.

IT IS THEREFORE ORDERED:

1. That Case No. GC-93-165 be hereby closed.
2. That this order shall become effective May 18, 1993.
