

At a session of the Public Service Commission held at its office in Jefferson City on the 12th day of March, 1996.

ORDER GRANTING CERTIFICATE OF SERVICE AUTHORITY TO PROVIDE SHARED TENANT SERVICES

The Commission has reviewed the application and Staff's memorandum and finds that the certificate of service authority to provide Shared Tenant Services at 9800 Polo Avenue in Kansas City, Missouri, should be granted. This request is for a single building and so does not raise the issues addressed by the Commission in TA-95-125. The Commission finds, further, that notice of this application need not be made since the local exchange carrier, SWB, is aware of the application and has indicated that it will not oppose the application.

The granting of this application in this expedited fashion does not relieve Andover Group from complying with the Commission's rules and regulations or previous decisions concerning STS locations. The Commission, though, is moving expeditiously in this matter to allow Andover Group's tenants to meet the deadline for the Kansas City White Pages Directory.

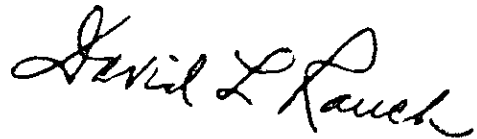

IT IS THEREFORE ORDERED:

1. That Andover Group, Inc., is hereby granted a certificate of service authority to provide Shared Tenant Services at 9800 Polo Avenue, Kansas City, Missouri.

2. That Andover Group, Inc., shall comply with all applicable Commission rules and regulations.

3. That this order shall become effective on the 22nd day of March, 1996.

BY THE COMMISSION
