pursuant to the Commission's informal	)	
rate procedure.	)	

**ORDER APPROVING TARIFF**

On May 12, 1995, the Commission issued an Order Granting Rate Increase in the above-referenced case in response to tariff sheets previously filed in this docket.

On May 31, 1995, the company filed the tariff sheet to change its late charges. This tariff sheet reflects an effective date of July 1, 1995.

On June 19, 1995, the Water and Sewer Department Staff of the Public Service Commission (Staff) filed a Memorandum in this case in which it recommended approval of the tariff sheet(s) as filed. Staff has stated in its Memorandum that the change in late charges was inadvertently omitted by the company in its initial tariff filing which generated this docket. The proposed change provides that any bill not paid within the period stated thereon shall incur a three dollar (\$3.00) per month late charge in addition to disconnection and reconnection costs, collection costs and reasonable attorneys fees for collection.

The Commission has reviewed the tariff sheet(s), the Staff Memorandum and the entirety of the file and finds that this tariff revision is not inconsistent with the original tariff filing in this docket. The

late charge provided for by the tariff will not accrue at a specific interest rate but rather will accrue at a flat rate of three dollars (\$3.00) per month in addition to the disconnection and reconnection costs, collection costs and reasonable attorneys fees for collection. The Commission finds that these late charges are not detrimental to the public interest and should be approved consistent with this order.

**IT IS THEREFORE ORDERED:**

1. That the tariff sheet(s) are approved for service on and after July 1, 1995:

P.S.C. Mo. No. 1

1st Revised Sheet No. 11, Cancelling Original Sheet No. 11

2. That this order shall become effective on July 1, 1995.
