a Nonprofit Sewer Company)	

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and for its Status Report respectfully submits as follows:

1. On September 20, 2006, the Commission issued its **Order and Notice** in the instant case. In this Order, it established October 10 as the deadline for the submission of intervention requests and directed the Staff to file its recommendation, or a status report regarding the date by which the Staff would file its recommendation, on or before October 20.
2. No requests to intervene in this case were submitted by the established deadline of October 10, nor have any such requests been submitted since.
3. Although the Staff has not identified any particular problems with the Application filed in this case, due to the press of other Commission business and because this is a case of first impression, the Staff needs additional time in which to file its recommendation.
4. The Staff hereby states that it believes it will be able to file its recommendation regarding the Application filed in this case on or before November 3.

WHEREFORE, the Staff respectfully submits this Status Report.

Respectfully Submitted,

/s/ **Robert V. Franson**
