Commission held at its office  
in Jefferson City on the 6th  
day of October, 1992.

In the matter of United Cities Gas Company, for     )  
authority to file a tariff reflecting a change     )  
in the BTU factor during the 1990-1991 ACA period     )  
for the Hannibal and Canton District.             )  
Case No. GR-91-261

ORDER CLOSING DOCKET

This filing was made on January 18, 1991 for the purpose of showing the recomputation of the BTU factor for the United Cities Gas Company (Company) in the Hannibal-Canton District. The Commission Staff (Staff) reviewed this filing and found it in compliance with the Company's tariff. Staff recommended the tariff be approved. The Commission, by order of March 29, 1991, approved the proposed tariff and ordered the tariff to go into effect April 1, 1991.

Additionally, this matter is a companion proceeding to Case No. GR-91-55, in which the Commission issued its order approving an Actual Cost Adjustment and closing the matter on April 21, 1992.

Staff recommends closing this docket as there is no reason in Staff's opinion to keep this matter open any longer.

The Commission finds that, as the result of the issuance of the final order and closing of Case No. GR-91-55, no further issues or proceedings are necessary or required in this matter and it is therefore appropriate that this docket be closed.

IT IS THEREFORE ORDERED:

1. That Docket No. GR-91-261 is hereby closed.

2. That this Order shall become effective on the 16th day of October,  
1992.
