Re: Case Nos. SA-2002-404 & SO-2002-1061 - Timber Creek Sewer Company
Tariffs Governing Rendering of Sewer Service

Dear Mr. Roberts:

In the Order Approving Application for Certificate of Public Convenience and Necessity in Case No. SA-2002-404 dated August 8, 2002 and the Order Granting Certificate of Public Convenience and Necessity in Case No. SO-2002-1061 dated August 27, 2002, the Commission ordered Timber Creek Sewer Company to file appropriate sewer tariffs revising its map and area description by September 9, 2002 and September 26, 2002, respectively. Rather than file one set of revised tariffs for one case and another set for the second case, we are hereby filing revised tariff sheets, which combine the additions to Timber Creek's service area.

Enclosed for filing find the original and five (5) copies of the following tariff sheets: P.S.C. MO No. 1, 3rd Revised Sheet No.2 and 3rd Revised Sheet No. 3 of Timber Creek Sewer Company's Rules Governing Rendering of Sewer Service.

Please file the original and three (3) copies. Please return the additional copies to me in the self-addressed, stamped envelope once both the Received and Filed stamps are affixed.

Very truly yours,

FINNEGAN, CONRAD & PETERSON, L.C.
