ORDER APPROVING TARIFF

On April 5, 1995, MCI Telecommunications Corporation (MCI) submitted tariff pages to the Commission for the purpose of amending and extending the MCI Vision IntraLATA Usage Promotion. On April 13, 1995, the Telecommunications Staff of the Public Service Commission (Staff) filed its Memorandum in which it recommended approval of the tariff sheets. Staff states that these tariff sheets provide credits to new and existing MCI customers through one of two options. The purpose of the tariff sheets is to extend the MCI Vision IntraLATA Usage promotion "Option B" through July 14, 1995, and to eliminate "Option A".

IT IS THEREFORE ORDERED:
