Case No. TT-95-389

ORDER APPROVING TARIFF

On May 22, 1995, Sprint Communications Company L.P. (Sprint) submitted a proposal to extend its Sprint Sense Charter Promotion and its Sprint Clarity Basic Promotion. The tariff sheets showed an effective date of June 19, 1995. Sprint requested expedited treatment and this docket was created to address that request.

On May 31, 1995, the Telecommunications Department Staff of the Public Service Commission (Staff) filed its Memorandum in which it recommended approval of the tariff sheets. Staff has stated it has no objections to the proposed tariff or to Sprint's request for expedited consideration. Staff has stated that the Sprint Sense Charter Promotion, which waives the \$3.00 monthly recurring charge to Sprint Sense customers, was initially approved by the Commission on February 3, 1995 to expire March 31, 1995. The promotion was later extended by Commission action to April 30, 1995 and then to May 31, 1995. The Sprint Clarity Basic Promotion, which offers discounted per minute rates as well as a waiver of the surcharges applicable to Sprint Clarity intrastate calling card calls, was approved by the Commission on May 18, 1995 to expire June 15, 1995. Sprint now proposes to extend both promotions to June 30, 1995.

The Commission has reviewed the proposed tariff sheets, the Staff Memorandum and the entirety of the file and finds that the proposed tariff sheets are not detrimental to the public interest.

IT IS THEREFORE ORDERED:

1. That the tariff sheets submitted by Sprint Communications Company L.P. on May 22, 1995, are approved for service on and after June 17, 1995:
