ORDER APPROVING TARIFFS AND CLOSING CASE

By letter of September 15, the Staff of the Commission (Staff) advised Ozark Water & Wastewater Management, Inc. (OWWM) that, based on the audit the Staff had recently concluded pursuant to a Commission order dated July 2, OWWM should discontinue the EIERA surcharge authorized in this case. On October 1, 1998, OWWM submitted a tariff sheet that removed the surcharge from its tariffs. The tariff sheet bore an effective date of October 24, and, by letter of October 7, OWWM extended that date to November 1.

On October 20, the Staff filed its memorandum. In that memorandum the Staff states that it has reviewed the tariffs, finds that they are correct and comply with the Staff's recommendation, and recommends approval.

The Commission has reviewed the tariff filing and the Staff memorandum and has determined that OWWM should cease collecting the EIERA surcharge, and that the tariff filing accomplishes this.

**IT IS THEREFORE ORDERED:**

1. That the following tariff sheet, filed October 1, 1998, by Ozark Water & Wastewater Management, Inc. and assigned Tariff File No. 9900260, is hereby approved for service on or after November 1, 1998:

2. That this order shall become effective on November 1, 1998.

3. That this case may be closed on November 2, 1998.
