ORDER CLOSING DOCKET

On July 27, 1989, United Cities Gas Company of Brentwood, Tennessee, filed tariffs reflecting a proposed change in the BTU factor used in the calculation of its customer rates. This proceeding was, in effect, a companion case to the 1989-1990 ACA case for United Cities Gas Company, Case No. GR-90-39, for the same district. The tariffs filed in GR-90-39 were approved on April 17, 1992 and that case was closed on the same date.

On September 21, 1992, the staff of the Public Service Commission (Staff) filed its "Motion to Close Docket." In support of the Motion Staff notes that the companion case has been closed and that this case too should be officially closed.

The Commission determines that Staff's recommendation is reasonable and the case should be closed as the tariffs requested in this case are now permanent pursuant to the order in GR-90-39 and no further action is required.

IT IS THEREFORE ORDERED:

1. That Case No. GR-90-23 be hereby closed.

2. That this order shall become effective on November 16, 1992.

BY THE COMMISSION
