In the matter of the request for community optional)
service from Contel of Missouri's Galena exchange to) CASE NO. TO-90-374
Contel of Missouri's Reeds Spring, Cape Fair, and)
Kimberling City exchanges.)

ORDER OF DISMISSAL

The Commission has received a petition signed by residents of the Galena exchange requesting extra-exchange calling at less than toll rates from the Galena exchange served by Contel of Missouri to the Reeds Spring, Cape Fair and Kimberling City exchanges served by Contel of Missouri.

By order issued July 18, 1990, the Commission directed Contel of Missouri to perform a calling usage study covering one billing cycle in order to ascertain whether a sufficient community of interest exists between these exchanges to justify providing them with community optional service (COS).

On October 5, 1990, Contel of Missouri filed the results of the calling usage study performed in said exchanges. The results of said study indicate that a community of interest does not exist between these exchanges.

In its Report and Order issued in Case No. TO-87-131, the Commission found that a community of interest would be demonstrated if a calling usage study showed that six calls per access line per month are made on the average from the petitioning exchange to the requested exchange and two-thirds of the customers in the petitioning exchange make two or more calls per month to the requested exchange. *In re the investigation of experimental extended measured service (EMS), Case No. TO-87-131 (December 29, 1989, clarified January 23, 1990).*

The results of the calling usage study performed herein are as follows:

<u>Originating Exchange</u>	<u>Terminating Exchange</u>	<u>Average Calls Per Access Line</u>	<u>Percent Making 2+ Calls</u>
Galena	Reeds Spring	2.644	32.96%
Galena	Cape Fair	.703	11.85%
Galena	Kimberling City	1.154	14.11%

In view of the foregoing, the Commission determines that the above-referenced case should be dismissed.

IT IS THEREFORE ORDERED:

1. That the above-referenced case is dismissed hereby.
2. That this order shall become effective on November 13, 1990.
