

**BEFORE THE PUBLIC SERVICE COMMISSION**  
**OF THE STATE OF MISSOURI**

Application of Metrocall, Inc. for Approval of an Interconnection Agreement with Southwestern Bell Telephone Company Pursuant to the Telecommunications Act of 1996	} } }	<u><b>Case No. IK-2003-0158</b></u>
--	-------------	-------------------------------------

**ORDER DIRECTING NOTICE AND ORDER MAKING SOUTHWESTERN  
BELL TELEPHONE COMPANY A PARTY**

This order provides notice of this application to interested parties and joins the other party to the interconnection agreement as a party to this proceeding.

On October 24, 2002, Metrocall, Inc., filed an application with the Missouri Public Service Commission for approval of an interconnection agreement with Southwestern Bell Telephone Company under the provisions of the federal Telecommunications Act of 1996. Metrocall states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest. Metrocall requests expeditious approval of the agreement.

Although SWBT is a party to the agreement, it did not join in the application. Because SWBT is a necessary party to a full and fair adjudication of this matter, the Commission will add SWBT as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a

telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience and necessity.<sup>1</sup>

Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement will be deemed approved. Therefore, the Commission will proceed with this case expeditiously. The Commission finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

**IT IS THEREFORE ORDERED:**

1. That the Data Center of the Missouri Public Service Commission must send notice to all interexchange and local exchange telecommunications companies.

2. That Southwestern Bell Telephone Company is made a party to this case.

3. That any party wishing to request a hearing must do so by filing a pleading by November 18, 2002, with:
