NOTICE CLOSING FILE

Issue Date: July 1, 2013

On August 22, 2011, EveryCall Communications, Inc., d/b/a All American Wireless applied for designation as an Eligible Telecommunications Carrier (ETC) on a wireless basis. At the company's request, on October 6, 2011, the Commission granted an indefinite continuance of that application while the company proceeded with reorganization under bankruptcy law. On June 21, 2013, again at the company's request, the Commission canceled EveryCall Communications' certificate of service authority and accompanying tariff in File No. LD-2013-0509. Since EveryCall Communications is no longer certified to provide service in Missouri, its application for designation as an ETC is moot.

Nothing remains for decision and this file shall be closed.
